Replacing the roof on a detached house is one of the bigger jobs a Lisvane household will ever take on, so it pays to choose the right people. Redland Roofing Cardiff is an independent, family-run roofing business that has served Cardiff and South East Wales for over 30 years. From its base in Rumney, the team covers Lisvane and the wider north east of the city, carrying out roof replacements on tiled and slate roofs of all sizes, from small to large and old to new. Much of Lisvane is made up of larger detached homes, and many of their roofs are complex, with several slopes, valleys and chimneys. A replacement is not always the answer, and the team will not recommend one if a repair will do. Concrete and clay tile roofs can last 40 to 60 years with maintenance, and good slate can outlast the building itself. Where a roof has genuinely had its day, though, a well planned replacement is the way to stop repeat leaks for good. Honest roofers Cardiff wide should tell you which situation you are in, and that is exactly what happens here. Larger detached or complex roofs typically take 4 to 7 days to replace, weather permitting, and the roof is left watertight at the end of each working day. Scaffolding and roofers are coordinated so the work runs smoothly, and reviews often mention jobs finished on time with the site left tidy. Like-for-like replacement usually falls under permitted development, but changing materials, a conservation area or a listed building may need Cardiff Council consent. Households in Lisvane, Cyncoed and Pontprennau can get clear advice on this before any work starts.
