12/8 has twelve eighth notes per bar, felt as four beats each split in three.

## What it sounds like

It sounds like 4/4 with a triplet feel on *metronome* every beat. You hear it in slow blues and 50s ballads.

## How to count

Say 1 trip-let 2 trip-let 3 trip-let 4 trip-let.

## Metronome setup

Set four beats per bar with **metronome** triplet subdivisions, or choose a 12/8 preset.
