Pack gentle and percent impartial. Bright colours and white stand out on a video game drive and exhibit airborne dirt and dust automatically. Olive, khaki and muted gray are standard.

Bring layers: Mara mornings are chilly at altitude, afternoons are sizzling, and open automobiles upload wind. A fleece, a pale rain shell and a huge brim hat cover so much days.

Skip the heavy camera bag clutter: one body, a one hundred-400mm number lens and spare batteries. Binoculars be counted extra than a second lens. Avoid blue and black clothing on taking walks safaris considering the fact that tsetse flies respond to the ones colorings. Carry water, sunblock, insect repellent ***weekend 3 day masai mara tour*** and any prescription medical care in hand luggage. Full equipment notes are at %LINK%.
