Insurance Accepted Drug Rehabs San Diego HGR Aetna BCBS Cigna The question of insurance coverage is often one of the first things families ask when they begin exploring drug rehabs in San Diego, and HGR Drug Rehabs San Diego California makes this process as straightforward as possible by accepting most PPO insurance plans and verifying coverage over the phone at the first point of contact. Accepted insurance includes Aetna, Blue Cross Blue Shield, and Cigna, as well as other major PPO providers, and the admissions team can confirm what your specific plan will cover during an initial call. The ability to use insurance for addiction treatment is a significant practical matter for many families. Residential treatment, IOP programming, and medically supervised detox are all recognized levels of care under the Mental Health Parity and Addiction Equity Act, which requires insurance plans to cover substance use disorder treatment at the same level as other medical conditions. The clinical team at HGR is experienced in navigating insurance authorization for all levels of care. One former client specifically notes that HGR's alcohol detox center accepted his AETNA insurance, a detail that captures how important this practical reality is for people who are trying to access treatment. The combination of accessible insurance coverage and clinical excellence is what allows HGR to serve the broad range of San **more info** Diego families who need this level of care.
