Texas Truck Accident Lawyer reviews who's responsible for your crash and which policies apply, with no upfront fee. Call (832) 250-4888 to talk it through. How do you sue a trucking company after an accident? The process starts with a preservation demand so the carrier keeps its truck data, driver logs and camera footage. The firm then investigates, builds the claim and presents it to the insurers once your treatment picture is clear. If no fair offer comes, a lawsuit is filed and the case moves through discovery, mediation and, if needed, trial. How much are most semi truck accident settlements?
