The Four Bonus Rounds Explained

The main allure of Crazy Time depends on its 4 reward rounds. These mini-games use the highest multipliers and the most aesthetically interesting gameplay.

1. Coin Flip

The easiest of the reward rounds. A coin with a red side and a blue side is turned by a maker. Before the flip, random multipliers are designated to each side. Whichever side lands face up awards the player that corresponding multiplier.

2. Cash Hunt

Players face a huge screen displaying 108 random multipliers hidden behind various shooting targets (like cacti, targets, and hats). Using a virtual cannon, the player selects one target, and the concealed multiplier is revealed and used to their bet.

3. Pachinko

Motivated by the conventional Japanese arcade video game, a radiant puck is dropped from the top of a big board filled with pegs. The puck bounces down and lands in one of the landing zones at the bottom, each including a multiplier. If it lands on a "Double," all multipliers on the board double, and the puck is dropped again.

4. Crazy Time

This is the holy grail of the video game. Gamers enter a virtual, surreal world behind a red door, greeted by an even bigger giant wheel. Players should select among 3 flappers (Green, Blue, or Yellow). The wheel spins, and anywhere the chosen flapper stops identifies the **Crazy Time Demo Casino** prize. Multipliers can reach up to **20,000 x**.
