The Four Exciting Bonus Rounds

The main attraction of Crazy Time games is unquestionably the four bonus offer rounds. These mini-games transportation gamers far from the primary wheel and into immersive, AR-enhanced digital worlds where the most significant multipliers are won.

1. Coin Flip

The easiest and most frequent bonus game. A coin with a red side and a blue side is turned by a mechanical flipper. Before the flip, each side is assigned a random multiplier. Whichever side lands deal with up awards the player that multiplier.

2. Cash Hunt

This is a massive interactive shooting gallery. A screen displays 108 random multipliers concealed behind numerous signs (like a cactus, a target, or a chef's hat). Players utilize an on-screen crosshair to choose a target before a countdown timer expires, revealing the multiplier beneath.

3. Pachinko

Motivated by the conventional Japanese arcade video game, this benefit round includes a large physical wall filled with pegs. The host drops a puck from the top, and it bounces down through the labyrinth till it lands in one of the multiplier zones at the bottom. If the puck lands on a "DOUBLE," all multipliers on the board double, and the puck is dropped again.

4. Crazy Time

This is the ultimate bonus round. The host opens a red door leading into a surreal, whimsical virtual world including an enormous, 64-segment mega wheel. Players need to select among 3 flippers (Green, Blue, or Yellow). The wheel is spun, and whatever sector the selected flipper indicate is the prize. This round can include "DOUBLE" and "TRIPLE" sections, permitting multipliers to reach up to an impressive **20,000 x**.
