FAQ About Dumpster Rental

What size dumpster do I need for a home renovation?

For home renovations, a 10 to 20-yard dumpster is usually sufficient. A 10-yard dumpster is great for small projects, while a 20-yard dumpster can handle larger renovations, such as kitchen or bathroom remodels.

How long can I keep a rented dumpster?

Most dumpster rental companies in San Diego allow rentals for a period of 7 to 14 days. However, you can often extend your rental period for an additional fee if more time is needed.

What items are prohibited in dumpsters?

Prohibited items typically include hazardous materials like paint, chemicals, batteries, and electronics. Additionally, some companies do not allow concrete, dirt, or roofing materials. Always check with the rental company for specific guidelines.

Can I place a dumpster on the street in San Diego?

Yes, you can place a dumpster on the street in San Diego, but you will likely need a permit from the city. It's important to check local regulations and possibly notify your neighbors before placing a dumpster on public property.

Benefits of Choosing Local Dumpster Rental Services

Opting for a local dumpster rental service like Garrison Dumpster Rental offers numerous advantages. One notable benefit is rapid service. We understand the unique difficulties San Diegans face, such as road conditions

and community regulations. Partnering with a local provider, you can be assured of punctual delivery and pick-up, ensuring your project stays on track and organized.

Choosing the Right Size Dumpster for Your Needs

Selecting the right size dumpster is crucial for an successful disposal process. Garrison Dumpster Rental offers a range of dumpster sizes to fit various types of projects, from minor home cleanouts to extensive construction jobs. Our team can help you ascertain the right size based on factors like the volume of waste, the type of materials you're disposing of, and the duration of your rental. This ensures you're not paying for space you don't need, while still having enough capacity to complete the task.
