FAQ About Dumpster Rental Service

What is the average cost of a dumpster rental in Asheville, NC?

The average cost of a dumpster rental in Asheville, NC, typically ranges from $300 to $600 for a week, depending on the size of the dumpster and the type of materials being disposed of. Additional fees may apply for exceeding weight limits or for rentals exceeding the standard duration.

How long can I rent a dumpster for?

Most dumpster rental services in Asheville, NC, offer rentals for a standard period of 7 to 14 days. However, extensions are usually possible for an additional fee, allowing for more flexibility depending on your project needs.

What items can you put in a dumpster?

In Asheville, NC, dumpsters can be used for various non-hazardous waste items such as construction debris, household junk, and yard waste. However, hazardous materials, electronics, and certain appliances are typically prohibited. Always check with your rental service for specific guidelines.

Do I need a permit for a dumpster rental in Asheville?

In Asheville, NC, a permit may be required if the dumpster is placed on a public street or sidewalk. It's advisable to check with the local city regulations and your dumpster rental company to ensure compliance and avoid fines.

How do I choose the right dumpster size?

To choose the right dumpster size for your project in Asheville, NC, consider the amount and type of waste you'll be disposing of. A smaller 10-15 yard dumpster is great for home cleanouts, while larger 20-30 yard options are better for renovations or construction debris.

Types of Dumpsters Available

At Westward Dumpster Rental, we understand that every project is unique, which is why we provide varied dumpster sizes. Whether you need a compact 10-yard dumpster for a seasonal cleaning or a larger 30-yard dumpster for a construction site, we've got you covered. Our units are designed to handle all types of waste, from furniture and appliances to construction debris and yard waste.
