FAQ About Dumpster Rental

What are the sizes of dumpsters available for rental in Orlando?

In Orlando, dumpster rental sizes typically range from 10 to 40 cubic yards. Common sizes include 10, 15, 20, 30, and 40 yards, catering to various projects from small cleanouts to large construction jobs.

What items are prohibited in a dumpster rental?

Prohibited items in dumpster rentals include hazardous materials like chemicals, batteries, and paint, along with items such as tires, appliances, and electronic waste. Always check local regulations for specifics.

How long can I keep a rented dumpster?

Most dumpster rental companies in Orlando allow you to keep a dumpster for 7 to 14 days, but this can vary. It's best to clarify with the rental service to avoid extra fees.

How do I choose the right dumpster size for my project?

To choose the right dumpster size, consider the type and volume of waste you'll have. For small projects, a 10 or 15-yard dumpster may suffice, while larger renovations may require a 30 or 40-yard dumpster.

Furthermore, local companies often provide speedier service due to their proximity. You can expect faster delivery and pick-up times, making it easier to meet deadlines for your project.

Different Sizes for Every Project

One of the key aspects of dumpster rental in Orlando is the variety of size options available. From mini dumpsters that can handle landscape waste to larger containers for major construction projects, Scrapyard Dumpster Rental

has a solution for every need. Understanding the required size for your project is important to avoid wasting space in the dumpster, as well as to minimize costs. Our team can help you assess the right size for your specific situation, ensuring you only pay for what you need.
